

Office of the Wildlife Warden, Jambu Zoo, Jammu

Expression of Interest (EOI)

Subject: Consultancy and support to Department of Wildlife Protection, Jammu Zoo for Nature Interpretation Centre.

The Department of Wildlife Protection, Jammu and Kashmir, establishing a Zoo in Jammu. The total area of Jambu Zoo is 229.5 hectare at Co. 4/R Khanpur Nagrota Jammu. The visitors can be an important target group for achieving the objectives of spreading awareness and education on environment and wildlife conservation and sensitizing the public towards protecting and conserving the wildlife. The Zoo would serve as added tourist attraction as many recreation amities have been proposed in the project. This will give boost to overall tourism activities in the state.

There is space allocated for Nature Interpretation Centre at the Jambu Zoo.

The "**Expression of Interest**" is thus invited from reputed National and International Level expert agency/institutions/consultants, having experience of similar nature of works, for conceptualizing and developing the Nature Interpretation Centre.

The ideas on material and techniques of displays/ interpretation items related to the flora and fauna as proposed by the tenderer, following topics/ vital components, must be incorporated in the concept proposal for the new Nature Interpretation centre:

There is space allocated for Nature Interpretation Centre at the Jambu Zoo.

The "**Expression of Interest**" is thus invited from reputed National and International Level expert agency/institutions/consultants, having experience of similar nature of works, for conceptualizing and developing the Nature Interpretation Centre.
