Price Bid :

- This shall be opened for only those tenderers whose (Technical Bid) is entertained.
- The accepting Department however reserves the right to reject any or all the tenders without assigning any reason thereof.

8. Award of contract :

- The successful tenderers will be notified by the Department.
- A formal deed that is, the agreement incorporating all the terms and conditions of contract shall have to be executed by successful tenderer within seven days from the date of allotment.

9. Date of Commencement:

The date of commencement of work, under this contract shall be reckoned from day letter of intent or allotment is issued by the Department, whichever is earlier.

10. Default:-

In the event of failure on the part of contractor to achieve the required periodical progress or complete the contract in time, the Department shall without prejudice to the remedies available to the Government under any law for the time being in force, be competent to adopt all or any of the following courses.

- Rescind the contract for which rescission notice of 10 days in writing to the contractor shall be conclusive evidence and in which case the security deposit and CDR of the contractor shall be forfeited and be at the disposal of the Department and OR
- Employ labour and supply materials to carry out works or any part of the work debiting the contractor with cost of the labour and the price of the material.

Certificate of the Engineering Wing in respect of the cost of the material and wages of labour shall be final and conclusive against the contractor.

- Measure up the work executed by the contractor and to take such part thereof as shall be unexecuted out of his hand and get the some executed / completed through alternate means/agency/contractor, at the risk and cost of the original contractor.
- Impose and recover such penalty as may be determined by the Engineering Wing in addition to the forfeiture of security deposit.
- In the event of any of the above courses being adopted by the Department, the contractor shall have no claim to compensation for any loss sustained by him for reasons of his having purchased or procured any material/equipment or entered in to agreement or paid any advance on account of or with a view to the execution of the work. In case the contract is rescinded under aforesaid provisions, the contractor shall not be entitled to be paid any sum for any work actually performed by him under this contract.

In any case, in which the powers conferred upon the **Conservator of Forest/Wildlife, Manda Hills, Jammu** / Engineering wing, by any clause under this notice shall have become exercisable, the non exercise thereof shall not constitute waiver of any of the conditions.

In the event of the Department putting in force any of the powers vested in it under the preceding clauses, it may, if so desired, take possession or order to take possession of any materials, tools, plants, stores, etc lying in or upon the works or the site thereof, belonging to the contractor or procured by him and intended to be used for the execution of the work or any part thereof. The Department may choose to remove them at the contractor's expenses or sell them by auction or private sale and debit the amount towards contractor penalty. The certificate of the Engineering wing in respect of expenses incurred or the amount debitible to the contractor on account of any such sale shall be final, conclusive and binding on the contractor.

11. Claim:

- The contractor shall send to the Engineering wing once a month an account giving full and detailed particulars of all claims pertaining to any additional expenses to which he may consider entitled on account of extra or additional work ordered in writing by the Engineering Wing which he has executed during the preceding month.

- If the contractor considers that any work ordered in writing to be executed by him, to be outside the scope of this contract or any direction or order of Engineering Wing to be unfair, he shall immediately upon such work being ordered to be executed proceed with the execution of the work without delay. The contractor may if he so desires file a protest with the Engineering Wing stating clearly and in detail, basis of his objection or claims. The written protest filed by the contractor shall be forwarded to the Engineering Wing/Wildlife Warden Jammu with a copy to **Conservator of Forest/Wildlife, Manda Hills, Jammu** within one week with his remarks. The decision taken by the **Conservator of Forest/Wildlife, Manda Hills, Jammu** in this behalf shall be final and binding upon the contractor.

12. Payments:

No advance payments shall be made. Payments will be made to the contractor only against work done or after completion of work in all respects as per specifications.

13. Taxes:-

Payments of service tax/income tax and levies etc. whether Central or State have to be borne by the contractor under rules. Income tax etc and service tax shall have to be deducted from running bills of the contractor. If there is any escalation in taxes (Central or State) or if any, , new tax becomes applicale during the course of execution of work, the same shall be borne by the contractor.

14. Escalation :-

During the period of completion of work, no price escalation in respect of material, machinery, equipment, labour etc. shall be entitled to the contractor.

15. Recovery of due amount:

Whenever any claim against the contractor for the payment of any sum of money arises out under this contract, the Department shall be entitled to recover such sum by appropriating in part or in whole from the security deposit of the contractor or from any sum that may be due to him should the aforesaid sum be insufficient to cover the full recovery, the contractor shall pay to the Department on demand the balance amount or the same shall be recovered from him as arrears of land revenue. However, no such claim shall be entertained by the Department after final payment are made to the concerned contractor there after the contractor shall be solely liable for bearing all claims and consequence thereof.

16. Indemnity:

In case of any dispute, accidents during the course of execution of the contract, the contractor shall be bound and solely responsible to meet and settle down all the claims at his own risk and cost.

17. Patent of Royalties:

The contractor under this contract shall indemnify and save harmless the Government against all claims arising from infringements of patents and royalties covering tools, machinery process, appliances devices or material used in connection with the work and the Department may retain out of money which may be due and become due to contractor a sum sufficient to cover all such claims, when and if preferred until the claims are paid or satisfactory settled. However, no such claim shall be entertained by the Department after final payment are made to the concerned contractor there after the contractor shall be solely liable for bearing all claims and consequence thereof.

18. Facilities at site:

The contractor shall arrange and maintain at his cost necessary tracks/paths/vehicular tracks, walkway / plate form, ladders, stairways, water pumps, electricity and other facilities of usual and suitable character required for all operations of work and inspection, in such away as not to affect or cause inconvenience to other contractors/public.

19. Work to be open to inspection:

All works in the course of execution in pursuance of this contract shall at all times be open to the inspection and supervision of department, Engineering Wing and their representatives and the contractor shall make all the necessary facilities at all times during the usual working hours and at all other times for which reasonable notice shall be given to the contractor.

20. Examination/ Inspection Before covering up:

No work shall be covered up or put out of view without approval of the Engineering Wing/Department/Concerned authorities of the works and contractors shall afford full opportunity to him to examine and measure any such work before permanent work is placed thereon.

21. Defective and Bad work:

If it shall appear to Engineering Wing that any work has been executed with unsound, imperfect or bad workmanship or with materials of any inferior description, the contractor shall when directed in writing by the Engineering Wing, forthwith rectify with

sound and specified material and workmanship or remove or re-execute the part of work so specified as the case may be or remove the materials/ articles at his own cost notwithstanding the fact that the same may have been inadvertently passed/ certified or paid for previously. In the event of his failing to do so within the specified period, the contractor shall be liable to penalty provided for in the contractor/ document and the Department shall get it rectified or removal and re-execute the work or remove and replace the same as the case may be at the risk and cost of the contractor.

22. Damage to work during or after execution:

If the contractor or his workers and servants break, deface or destroy any part or work or any other property in the vicinity of the works belonging to any person or on which they may be working, such structure , road curbs, embankments, fence enclosures, water pipes, cable, drains, electric or telephone posts or wires, trees, grass or grassland or cultivated ground etc, shall make the same good on his own cost and on failure of the contractor to do so, the Engineering Wing shall cause the same to be made good and deduct the cost thereof from any sums that may be due to the contractor under the contract or from his security deposits.

23. Keeping works free from Water:

The contractor shall provide and maintain at his cost and expenses electricity or other power driven pumps and/ or other plant to the satisfaction of the Engineering Wing for keeping works free from water, until the works are taken over by the Department duly completed. The Contractor shall arrange for the disposal of water accumulated at the site of works(without affecting the other contractors/works lying adjacent and in vicinity of his work site/public) to the satisfaction of Engineering Wing and the authorities concerned.

24. Temporary Suspension of work:

The Engineering Wing may suspend the work wholly or in part for such period as he may deem necessary, due to unsuitable weather or natural calamity, or for such other causes as are considered unfavorable for the execution of the work or for such times as is necessary due to failure of the contractor to carry out orders given to him. No compensation shall be paid on this account to the contractor.

25. Extension of time :

No extension of time specified for the completion works shall be granted or claimed by the contractor as a matter of right. However, if the work is suspended for some time on account of bad weather, floods, earthquake or fire or non-availability of materials or

tools and plants etc or due to any cause beyond the control of the contractor and the Department, no compensation shall be paid to the contractor on account of the aforesaid reasons but reasonable extension in time shall be considered at the request of the contractor and discretion of the Department.

26. Equipment and Material:

The contractor shall at his cost procure, supply and transport to site all materials etc for the works and bear all loading and unloading storage and other taxes payable thereof. The contractor shall arrange on his own all machinery like lifting and hauling equipments, welding and pneumatic equipments, special tools/plants and Engineering stores required for the work.

27. Contractors Representative/Site Engineer:

The contractor shall keep on the site of works during its execution, competent and authorized Supervisors/Engineer to whom instructions concerning the works may be given from Engineering Wing of the works or his subordinates. The notices and written orders served and instructions given by the Engineering Wing/authorities concerned upon such supervision shall be deemed to have been served upon the contractor.

28. Payment to Labour:

The contractor shall have to make timely payments to all labours engaged by him. In case the Engineering Wing receives a complaint from labours for payment being withheld or deducted, he will pay the due wages to the labour himself, after due enquiry and deduct the amount from the dues/deposits of the contractor. However no such claim, what so ever, shall entertain after final payments are made to concerned contractor. Thereafter the contractor shall be solely liable for bearing the labour claim and consequence thereof.

29. Character of Workmen:

Contractor shall be bound to employ competent workmen for every kind of work. Any person employed on the work who refuses or neglects to obey the directions of the Engineering Wing/any other official of the Department, or who is considered incompetent to execute any part of the work or is disorderly or causes nuisance or who commits trespass upon public or private property in the vicinity of the works, shall be dismissed when the Engineering Wing so intimates and shall not be reemployed unless permission in writing is given in this behalf by the concerned Engineering Wing. Local labour shall be given preference to the labour from outside the State.

30. Housing Accommodation and Sanitary Convenience:

The contractor shall provide and furnish proper housing accommodation and sanitary convenience for labours engaged on the works and these shall be maintained in a manner that will be inoffensive to the public and in compliance with local sanitary regulations.

31. Alterations/Additions/Variations:

The Engineering Wing with the approval of Department may make any variation of the form, quality and quantity of work or any part thereof that may, in his opinion be necessary and desirable. The Engineering Wing shall be empowered with the prior permission of the Department to order the contractor to do any of the following:-

- Increase or decrease the quantity of any work included in the contract.
- Omit any portion of work.
- Change the character or quality or kind of any work.
- Change the levels, lines, positions and dimensions of any part of the works and No such variations as aforesaid shall in any way violate the contract.

No such variation shall be made by the contractor of his own without an order in writing of Engineer. If at any time after the commencement of the works, the Engineering Wing for any reason whatsoever does require the above mentioned changes to be carried out the (Engineering Wing) shall give notice in writing in this behalf to the contractor. The contractor shall not also claim any compensation by reasons of any alteration having been made in the original specification, drawing, design and instructions which involve any curtailment or an addition, of the works as originally contemplated of his own.

32. Valuation of Extra Items:

The Engineering Wing with the prior approval of Department shall authorize the contractor in writing to perform any extra item of work or furnish extra material not covered by the specification or not included in this contract but forming inseparable part of the works under this contract.

If the contract does not contain any rates applicable to the extra or additional work, then reasonable rates as specified hereunder shall be fixed by the Department.

- By analysis from the nearest item in the contract.
- Items not covered by the above provisions shall be paid on analysis bases on rate of labour and material required for completion of work at market rates plus 10% contractor's profit. For this purpose, a contractor shall keep and maintain in such

form, as the Department shall direct, a correct account of cost supported by sufficient details. The rates for these extra items as approved by the Department shall be final and binding on the contractor.

33. Local Laws and Rules:

The contractor shall abide by all regulations and laws of Forest, Wildlife (civil/criminal) Revenue, Fisheries and other Authorities, including Municipalities, Town Area Committees etc. For any violation he shall be liable to be dealt with under the relevant laws/Acts. **No compensation whatsoever on this account shall be payable to the contractor by the Department.**

34. Protection of Works and Adjoining Property:

The contractor shall be responsible for the care of materials partially or wholly completed works until same are taken over by the Department duly completed by the contractor in accordance with the terms of the contract. The contractor shall make goods at his own expenses for the damages which the work may sustain from any cause whatsoever prior to the taking over of the same by the Department. The contractor shall also be responsible to make good at his own expenses, the damages caused to the adjacent property, due to this act or negligence of his employee or caused in the course of execution of contract. The Department shall not entertain any claim in this regard.

35. All materials taken out of site of the work is and shall be property of the Department.

36. Subletting:

The contractor shall not assign or sublet the work in whole or part to any agency without written orders of the Department and if the contractor shall assign or sublet this contract, or attempt to do so or becomes insolvent or commences any insolvency proceedings to make any composition with his creditors or attempt to do so, or if any bribe gratuity, gift, lone, pre-requisite reward, or advantage pecuniary or otherwise shall either directly or indirectly be given, promised or offered by the contractor or any of his servants or agents to any public officer or person in the employment of Government in any way relating to this office, the contractor shall be solely responsible for the consequences which besides other penalties/actions may entail termination of contract and forfeiture of deposit, bank guarantees and other due payments if any.

37. Works Register:

It is the duty of the contractor to maintain/sign the works register and measurement book, wherein measurements are recorded. In case of his failure to do so, the measurements recorded by the Department staff will be binding upon the contractor. No claim whatsoever on this account will be entertained by the Department.

38. Clearance of Work Site:

Contractor shall not deposit materials on site which will cause inconvenience to the public or which is in contravention of the orders of the Engineering Wing/Department/Wildlife Warden. The Engineering Wing/ Department/Wildlife Warden may direct the contractor to remove any materials, which are considered by him to be a source of danger or inconvenience to the public or other contractors in contravention of his orders and cause them to be removed at the contractors cost.

39. The contractor shall be duty bound to maintain his allotted work and keep it weed free at all times and till release of final payments in case of failure of the contractor on this account, the Department shall be at liberty to maintain and clean up the block/section at the risk and cost of the contractor.

40. Certificate of Completion:

The works shall be deemed to have been duly completed when the Department certifies in writing that the works have been completed in all respects by the contractor. But no such certificate shall be given or the works shall not be considered to be duly completed until the contractor commissions the work to the entire satisfaction of the Department, removes materials, rubbish and cleans off debris and weeds from the site and all parts of the structure as per the requirements of the Department. If the contractor fails to comply with the requirements of this clause as to the removal of scaffolding, surplus materials, rubbish and cleaning of debris and weeds on or before the date fixed for the completion of the work, the Engineering Wing/Department shall remove such scaffolding materials and rubbish, weeds and dispose of the same as he thinks fit and clean up such debris at the cost of contractor. The contractor shall have no claim in this respect.

41. Insurance:

Any accidental or incidental occurrence during the course of execution shall be entirely liability of the contractor. The contractor has to observe due care and caution as not cause damage to life/honour/property or cause mishap, nuisance. The insurance cover of the team members working for the project shall be responsibility of the contractor.

42. Clarification:

For any further information/explanation/clarification, if required, the intending tenderers may contact Assistant Department of Wildlife Protection, Jammu during office hours at office of Chief Conservator of Forest/Wildlife, Manda Hills Jammu or Wildlife Warden Jammu.

43. Decision of Chief Wildlife Warden, Jammu & Kashmir to be final:

Except where otherwise specified in this contract, the decision of **Chief Wildlife Warden** Jammu & Kashmir shall be final, conclusive and binding upon the contractor on all questions relating to the meaning of the specifications, design, drawings and instructions herein before mentioned and as to the quality, the workmanship or materials used for the work.

44. Demarcation

Main Entry gate shall be strictly constructed on the alignment provided by the Range Officer concerned. In case of any disputes related to demarcation, CF (Wildlife)/ RWLW will be the final authority to settle demarcation disputes.

45. No contractor shall can participate in this tender who has been already been black listed by an Govt. agency/ office.

46. the bid will be opened only after accord of technical sanction and administrative approval.

47. The accepting department however reserves the right to reject any or all the tenders without assigning any reasons thereof.

48. General :

The intending tenders have necessarily to adhere to the entire technical/commercial and general clauses as embodied in the tender document and no deviation whatsoever shall be accepted.

49. The work order will be issued after requisite clearances under various act from the concerned authorities.
50. The Labour certificate is not a pre-condition / necessary at the time of submission of bids. However the successful bidder has to provide the labourer certificate within a week time after the allotment of works order.
